Outcomes

South Puget Sound Community College believes that all students need to develop a broad range of abilities that will not only make them more effective in their professional pursuits but will enhance their capacity to relate well to others in their daily lives.

At the completion for the Early Childhood Education Program, the successful student will be able to:

- Critically thinking in order to analyze, evaluate and solve problems using multiple methodologies
- Having multicultural awareness thru exhibiting an understanding of the ways economic, political, social, and culture factors impact identity and interactions
- Computation through identification, understanding and communicating the differences between quantitative and qualitative data and be able to explain results

- Demonstrating ethics through identifying complex ethical issues and recognizing and evaluating interrelationships of related issues
- Communicating effectively through written and verbal communications skills

The SPSCC college-wide abilities are embedded into each program:

- Effective Communication
- Information Literacy
- Analytical Reasoning
- Multicultural Awareness
- Social Responsibility

Students will also demonstrate an understanding of the key elements of the National Association for the Education of Young Children (NAEYC) standards for Early Childhood Professional Preparation (www.naeyc.org) and the Washington State Department of Early Learning Core Competencies for Early Care and Education Professionals (www.dcyf.wa.gov/publications-library/eps_0023 (https://www.dcyf.wa.gov/publications-library/eps_0023/)).
